

9 TO 5/DOLLY PARTON

1. Tumble outta bed and I stumble to the kitchen
Pour myself a cup of ambition
And yawn and stretch and try to come to life
2. Jump in the shower and the blood starts pumpin'
Out on the street the traffic starts jumpin'
The folks like me on the job from nine to five.

REFREIN Workin' nine to five,
3. what a way to make a living
 Barely gettin' by
3. it's all takin' and no givin'
 They just use your mind
3. and they never give you credit
 It's enough to drive you crazy if you let it
 Nine to five
3. for service and devotion
 You would think that I
3. would deserve a fair promotion
 Want to move ahead
3. but the boss won't seem to let me
 I swear sometimes that man is out to get me.

1. They let you dream just to watch 'em shatter
You're just a step on the boss-man's ladder
But you got dreams he'll never take away
2. You're in the same boat with a lotta your friends
Waitin' for the day your ship'll come in
Then the tide's gonna turn and it's all gonna roll your way.

REFREIN Workin' nine to five
3. what a way to make a livin'
 Barely gettin' by
3. it's all takin' and no givin'
 They just use your mind
3. and you never get the credit
 It's enough to drive you crazy if you let it
 Nine to five,
3. they got you where they want you
 There's a better life
3. and you think about it, don't you

- It's a rich man's game
3. no matter what they call it
And you spend your life puttin' money in his wallet.
